REGULATIONS relating to the Students at the Senior Department of the Royal Military College.

A CANDIDATE for Admission to the Senior Department of the College must be a Commissioned Officer in the Army, and must have completed the *twenty-first* year of his age. *He must have actually served as a Commissioned Officer with his Regiment for three years abroad, or for four years at home,* unless he should have been reduced to Half-pay before the completion of such period, when his claim will be considered.

His application (addressed to the Governor of the College) must be supported by satisfactory Testimonials as to Character and Conduct; as likewise of his being well grounded in the duties of the particular branch of Service to which he belongs.

These Testimonials must be from the Officer Commanding the Regiment in which he is serving, or, if on Half-pay, from an Officer of Rank in the Service.

Every Candidate will have to undergo an Examination previously to Admission. The Examination will be chiefly in the Elements of Geometry; but if deemed necessary, it will be extended to other elementary parts of Education requisite to qualify him for making progress in the branches of Instruction taught at the College.

All the Students will have the free use, under such Regulations as the Governor may deem necessary, of the Books, Maps, and Plans in the College Library.

The time allowed for the course of Education at the Senior Department is One year from the date of the Admission of each Officer. This period may be prolonged, however, by special permission, obtained through the Governor, from the Commander-in-Chief, when such indulgence appears to be merited.

The number of Students in the Senior Department is at present limited to fifteen.

Each Student pays into the funds of the College such sum annually as has been previously determined by the Board of Commissioners.

The Annual Subscription at present is Thirty Guineas.

Lodging Money is allowed to the Officers of the Senior Department, to procure themselves Lodgings in the vicinity of the College, if not provided with quarters. And Forage Money for one Horse (under the authority of the Collegiate Board) is allowed to such as have made sufficient progress in their Studies to qualify them for sketching in the Field.

Every Officer studying at the Senior Department is required to wear his Uniform with the same strictness as if on duty with his Regiment.

In case any Officer belonging to the Senior Department conducts himself in such manner as may appear to be at all detrimental to the Institution, or holding out a bad Example to the Young Gentlemen of the Junior Department, either by want of application or in other respects, a Report upon his Conduct will be transmitted by the Governor to the Adjutant General, with a view to his being withdrawn from the Institution.

MEMORANDUM.

HORSE GUARDS, 30th June, 1829.

CAPTAINS who Volunteered from the Militia, and are now on Half-Pay with Temporary Rank, will be allowed to commute their Half-Pay, on conditions which will be made known to them by the Military Secretary, as soon as they shall have reported to the General Commanding in Chief, their Age and State of Health, Vouched by a proper Medical Certificate.

No. 478. **GENERAL ORDER.**

HORSE-GUARDS, 18th July, 1829.

HIS Majesty, being desirous to encourage Officers to become Settlers in the British North American Provinces, is pleased to command, that Grants of Land, in the proportions undermentioned, shall, on the recommendation of the General Commanding in Chief, be made to those Officers who may be induced to avail themselves of the offer, viz.—

	Acres.
Lieutenant-Colonel	1200
Major	1000
Captain	800
Subaltern	500

subject always to the conditions of actual Residence, and Cultivation of the Land assigned, within a limited period.

Officers who shall propose to settle in the British Provinces of North America, will, if of a proper Age, and if their service shall be considered as entitling them to the indulgence, be permitted to dispose of their Commissions; and in order that His Majesty's Government may have full security for the appropriation to the intended purpose of the sums produced by such Sale, it is His Majesty's Command, that the Agent, to whom the Purchase Money is paid, shall be instructed to retain in his hands one third of the amount in each case, until a Certificate shall be transmitted by the Governor or Officer Commanding in the Province, that the Officer is actually settled:—The reserved Money will then be paid to him.

By Command of the Right Honourable
The General Commanding in Chief.
HERBERT TAYLOR, Adjutant-General.

Warrant regulating the Grant of Pensions and Allowances to Officers of the Land Forces, for Wounds received in Action.

GEORGE R.

WHEREAS We think it expedient to consolidate and amend the several Rules and Orders under which Pensions and Allowances are granted on account of Wounds received in Action, by Officers of Our Land Forces, and to establish certain additional Regulations relative thereto; Our will and pleasure is, that, from and after the date hereof, the Regulation annexed to this our Warrant shall be the sole Rule on this head; and that the cases in which Pensions and Allowances may be recommended to Us to be granted to Officers, shall be limited to Wounds and Injuries received in Action, and

shall be established by the production of such Certificates and Reports of Medical Boards as shall be required by Our Secretary at War.

Given at Our Court at Windsor, this 14th Day of November, in the Tenth Year of Our Reign.

By His Majesty's Command.

HENRY HARDINGE.

Regulation.

1st. If an Officer shall receive a Wound in Action, which shall occasion the loss of an Eye, or a Limb, or the total use of a Limb, or shall receive bodily injury fully equal to the loss of a Limb, he may be eligible to receive a Gratuity in Money of One Year's Full Pay of the Regimental Rank, or Staff Appointment, held by him at the time he was Wounded.

2d. If an Officer shall be Wounded in Action, and it shall appear upon an inspection made of him by a Board of Army Medical Officers assembled by order of the Secretary at War, that such Officer has, in consequence of his Wound, lost a Limb or an Eye, or has totally lost the use of a Limb, or that he has sustained a severe Injury in Action, fully equal in every respect to the loss of a Limb, he may be recommended to His Majesty for a Pension at the rate fixed in the annexed Scale, for the Rank held by him when he was Wounded, and commencing One Year after the Wound was received: the continuance of which shall depend upon subsequent examinations before the Military Medical Board.

3d. If the Officer shall have lost more than one Limb or Eye, he may be recommended for a Pension for each Limb or Eye so lost in Action.

4th. If the Wound received by an Officer in Action shall be so severe in its permanent effects as to be nearly equal, but not fully equal, to the loss of a Limb, such Officer may be recommended for a Gratuity of Eighteen Months' Full Pay of his Regimental Rank, or Staff Appointment, held by him when Wounded; in which case no Pension shall at any subsequent time be granted to him under this Regulation.

5th. If any Wound received in Action shall be certified to be severe and dangerous, but in its permanent effects not equal to the loss of a Limb, the Officer receiving such Wound may, in consideration of the expense attending the cure thereof, receive a Gratuity, varying according to the nature of the case, of from Three to Twelve Months' Full Pay of the Regimental Rank, or Staff Appointment, held by him at the time he was Wounded.

6th. If an Officer shall have held a Pension for a Wound received in Action for a term of Five Years, and shall have been examined, twice at the least, before a Board of Army Medical Officers, he may be recommended for the permanent continuance of such Pension; but if the Officer, before the expiration of the term of Five Years, shall have so far recovered that his Wound or Injury is not fully equal to the loss of a Limb, then he shall cease to receive such Pension, and shall have a Gratuity of Full Pay according to the degree of his Injury, as laid down in Article 5.

7th. If within the period of Five Years after a Wound has been received, an Officer does not apply for the Pension, or, applying for it, the Wound shall not have been proved to be fully and permanently equal to the loss of a Limb, such Officer's claim to a Pension shall not at any subsequent period be entertained.

8th. No Gratuity or Allowance for any Wound shall be granted after the lapse of Five Years from the time the Wound was received.

Digitized by Google

9th. No Pension for the loss of One Eye, from a Wound received in Action, shall be granted, unless the actual loss of Vision shall have occurred within Five Years after the Wound was received, and be solely attributable to such Wound.

10th. As a general rule, the Pension shall be granted according to Regimental Rank; but in cases in which Officers with Brevet Rank shall have been employed at the time they were Wounded, in discharge of duties superior to those attached to their Regimental Commissions, the Pensions shall be given according to the Brevet Rank.

11th. These Pensions, being granted as a compensation for the permanent disability sustained by Wounds received in Action, may be held together with any other Pay and Allowances to which an Officer may be entitled, without any deduction on account thereof.

REGULATIONS relating to the Students at the Senior Department of the Royal Military College.

A CANDIDATE for Admission to the Senior Department of the College must be a Commissioned Officer in the Army, and must have completed the *twenty-first* year of his age. *He must have actually served as a Commissioned Officer with his Regiment for three years abroad, or for four years at home,* unless he should have been reduced to Half-pay before the completion of such period, when his claim will be considered.

His application (addressed to the Governor of the College) must be supported by satisfactory Testimonials as to Character and Conduct; as likewise of his being well grounded in the duties of the particular branch of Service to which he belongs.

These Testimonials must be from the Officer Commanding the Regiment in which he is serving, or, if on Half-pay, from an Officer of Rank in the Service.

Every Candidate will have to undergo an Examination previously to Admission. The Examination will be chiefly in the Elements of Geometry; but if deemed necessary, it will be extended to other elementary parts of Education requisite to qualify him for making progress in the branches of Instruction taught at the College.

All the Students will have the free use, under such Regulations as the Governor may deem necessary, of the Books, Maps, and Plans in the College Library.

The time allowed for the course of Education at the Senior Department is One year from the date of the Admission of each Officer. This period may be prolonged, however, by special permission, obtained through the Governor, from the Commander-in-Chief, when such indulgence appears to be merited.

The number of Students in the Senior Department is at present limited to fifteen.

Each Student pays into the funds of the College such sum annually as has been previously determined by the Board of Commissioners.

The Annual Subscription at present is Thirty Guineas.

Lodging Money is allowed to the Officers of the Senior Department, to procure themselves Lodgings in the vicinity of the College, if not provided with quarters. And Forage Money for one Horse (under the authority of the Collegiate Board) is allowed to such as have made sufficient progress in their Studies to qualify them for sketching in the Field.

Every Officer studying at the Senior Department is required to wear his Uniform with the same strictness as if on duty with his Regiment.

In case any Officer belonging to the Senior Department conducts himself in such manner as may appear to be at all detrimental to the Institution, or holding out a bad Example to the Young Gentlemen of the Junior Department, either by want of application or in other respects, a Report upon his Conduct will be transmitted by the Governor to the Adjutant General, with a view to his being withdrawn from the Institution.

WHEREAS We think it expedient to consolidate and amend the several Rules and Orders under which Pensions and Allowances are granted on account of Wounds received in Action, by Officers of Our Land Forces, and to establish certain additional Regulations relative thereto; Our will and pleasure is, that, from and after the date hereof, the Regulation annexed to this our Warrant shall be the sole Rule on this head; and that the cases in which Pensions and Allowances may be recommended to Us to be granted to Officers, shall be limited to Wounds and Injuries received in Action, and

shall be established by the production of such Certificates and Reports of Medical Boards as shall be required by Our Secretary at War.

Given at Our Court at Windsor, this 14th Day of November, in the Tenth Year of Our Reign.

By His Majesty's Command.

HENRY HARDINGE.

Regulation.

1st. If an Officer shall receive a Wound in Action, which shall occasion the loss of an Eye, or a Limb, or the total use of a Limb, or shall receive bodily injury fully equal to the loss of a Limb, he may be eligible to receive a Gratuity in Money of One Year's Full Pay of the Regimental Rank, or Staff Appointment, held by him at the time he was Wounded.

2d. If an Officer shall be Wounded in Action, and it shall appear upon an inspection made of him by a Board of Army Medical Officers assembled by order of the Secretary at War, that such Officer has, in consequence of his Wound, lost a Limb or an Eye, or has totally lost the use of a Limb, or that he has sustained a severe Injury in Action, fully equal in every respect to the loss of a Limb, he may be recommended to His Majesty for a Pension at the rate fixed in the annexed Scale, for the Rank held by him when he was Wounded, and commencing One Year after the Wound was received: the continuance of which shall depend upon subsequent examinations before the Military Medical Board.

3d. If the Officer shall have lost more than one Limb or Eye, he may be recommended for a Pension for each Limb or Eye so lost in Action.

4th. If the Wound received by an Officer in Action shall be so severe in its permanent effects as to be nearly equal, but not fully equal, to the loss of a Limb, such Officer may be recommended for a Gratuity of Eighteen Months' Full Pay of his Regimental Rank, or Staff Appointment, held by him when Wounded; in which case no Pension shall at any subsequent time be granted to him under this Regulation.

5th. If any Wound received in Action shall be certified to be severe and dangerous, but in its permanent effects not equal to the loss of a Limb, the Officer receiving such Wound may, in consideration of the expense attending the cure thereof, receive a Gratuity, varying according to the nature of the case, of from Three to Twelve Months' Full Pay of the Regimental Rank, or Staff Appointment, held by him at the time he was Wounded.

6th. If an Officer shall have held a Pension for a Wound received in Action for a term of Five Years, and shall have been examined, twice at the least, before a Board of Army Medical Officers, he may be recommended for the permanent continuance of such Pension; but if the Officer, before the expiration of the term of Five Years, shall have so far recovered that his Wound or Injury is not fully equal to the loss of a Limb, then he shall cease to receive such Pension, and shall have a Gratuity of Full Pay according to the degree of his Injury, as laid down in Article 5.

7th. If within the period of Five Years after a Wound has been received, an Officer does not apply for the Pension, or, applying for it, the Wound shall not have been proved to be fully and permanently equal to the loss of a Limb, such Officer's claim to a Pension shall not at any subsequent period be entertained.

8th. No Gratuity or Allowance for any Wound shall be granted after the lapse of Five Years from the time the Wound was received.

Digitized by Google

9th. No Pension for the loss of One Eye, from a Wound received in Action, shall be granted, unless the actual loss of Vision shall have occurred within Five Years after the Wound was received, and be solely attributable to such Wound.

10th. As a general rule, the Pension shall be granted according to Regimental Rank; but in cases in which Officers with Brevet Rank shall have been employed at the time they were Wounded, in discharge of duties superior to those attached to their Regimental Commissions, the Pensions shall be given according to the Brevet Rank.

11th. These Pensions, being granted as a compensation for the permanent disability sustained by Wounds received in Action, may be held together with any other Pay and Allowances to which an Officer may be entitled, without any deduction on account thereof.

HENRY HARDINGE.

REGULATIONS relating to the Students at the Senior Department of the Royal Military College.

A CANDIDATE for Admission to the Senior Department of the College must be a Commissioned Officer in the Army, and must have completed the *twenty-first* year of his age. *He must have actually served as a Commissioned Officer with his Regiment for three years abroad, or for four years at home,* unless he should have been reduced to Half-pay before the completion of such period, when his claim will be considered.

His application (addressed to the Governor of the College) must be supported by satisfactory Testimonials as to Character and Conduct; as likewise of his being well grounded in the duties of the particular branch of Service to which he belongs.

These Testimonials must be from the Officer Commanding the Regiment in which he is serving, or, if on Half-pay, from an Officer of Rank in the Service.

Every Candidate will have to undergo an Examination previously to Admission. The Examination will be chiefly in the Elements of Geometry; but if deemed necessary, it will be extended to other elementary parts of Education requisite to qualify him for making progress in the branches of Instruction taught at the College.

All the Students will have the free use, under such Regulations as the Governor may deem necessary, of the Books, Maps, and Plans in the College Library.

The time allowed for the course of Education at the Senior Department is One year from the date of the Admission of each Officer. This period may be prolonged, however, by special permission, obtained through the Governor, from the Commander-in-Chief, when such indulgence appears to be merited.

The number of Students in the Senior Department is at present limited to fifteen.

Each Student pays into the funds of the College such sum annually as has been previously determined by the Board of Commissioners.

The Annual Subscription at present is Thirty Guineas.

Lodging Money is allowed to the Officers of the Senior Department, to procure themselves Lodgings in the vicinity of the College, if not provided with quarters. And Forage Money for one Horse (under the authority of the Collegiate Board) is allowed to such as have made sufficient progress in their Studies to qualify them for sketching in the Field.

Every Officer studying at the Senior Department is required to wear his Uniform with the same strictness as if on duty with his Regiment.

In case any Officer belonging to the Senior Department conducts himself in such manner as may appear to be at all detrimental to the Institution, or holding out a bad Example to the Young Gentlemen of the Junior Department, either by want of application or in other respects, a Report upon his Conduct will be transmitted by the Governor to the Adjutant General, with a view to his being withdrawn from the Institution.

No. 456. GENERAL ORDER.

HORSE-GUARDS, 24th August, 1827.

HIS MAJESTY being desirous of holding out further encouragement to Officers on Half Pay, to become Settlers in New South Wales and Van Dieman's Land, has been pleased, in reference to the General Orders of the 8th June, 1826, and 16th May, 1827, to command, that the following additional inducements shall be promulgated to the Army, for the information of those Officers who may be disposed to avail themselves of the benefit of this arrangement.

All Officers on Half Pay, who purchased and were reduced, whatever may have been the period of their Service, or Officers on Half Pay who did not purchase, but who, after having served Twenty Years, half of which on Full Pay, have been re-

duced, or have retired to Half Pay on account of Wounds or impaired Health, shall be exempted from that part of the Regulation contained in the General Order of the 8th June, 1826, which requires the Officer to relinquish one-third of the value of his Commission to the Crown, and shall be allowed to receive the full value of such Commission, in the same manner as Officers on Full Pay, who, having purchased their Commissions, or having served Twenty Years, are desirous of selling out for the same object.

His Majesty has further been pleased to command, that this advantage shall be extended to Officers of all ranks, whether on Full Pay, Retired Full Pay, or Half Pay; but that, in the two latter Classes, all Sales shall be subjected to the conditions and restrictions established by the General Order of the 2nd May, 1825, notwithstanding that a large portion of the Officers on Half Pay would be excluded thereby from Sale: and in order that the Government may have full security for the appropriation of the Sums produced by the Sale of Commissions to the intended purpose, it is His Majesty's Command, that the Agent to whom the Purchase Money be paid shall be instructed to retain in his Hands one-third of the Amount in each case, to be paid to the Officer who proposes to emigrate, and who shall have obtained permission to dispose of his Commission, or his Half Pay, with that view, upon his producing to the Agent a Certificate, signed by the Master of the Vessel, that he has engaged his passage on board such Vessel for the purpose of proceeding direct to the Colony.

By His Majesty's Command.

HENRY TORRENS, Adjutant General.

MEMORANDUM.

HORSE-GUARDS, 30th April, 1830.

CAPTAINS who Volunteered from the Militia, and are now on Half-Pay with Temporary Rank, will be allowed to commute their Half-Pay, on conditions which will be made known to them by the Military Secretary, as soon as they shall have reported to the General Commanding in Chief, their Age and State of Health, Vouched by a proper Medical Certificate.

MEMORANDUM.

HORSE GUARDS, 30th June, 1829.

SUBALTERNS upon Half-Pay who may be desirous of Retiring, receiving a Commuted Allowance for the same, are requested to address themselves to the Military Secretary to the General Commanding in Chief, transmitting to him a Certificate from a Medical Officer of the present state of their Health, and informing him of their Age, whether they are Married and have Children, and if they are actually in the Receipt of Half-Pay at this Moment.

subject always to the conditions of actual Residence, and Cultivation of the Land assigned, within a limited period.

Officers who shall propose to settle in the British Provinces of North America, will, if of a proper Age, and if their service shall be considered as entitling them to the indulgence, be permitted to dispose of their Commissions; and in order that His Majesty's Government may have full security for the appropriation to the intended purpose of the sums produced by such Sale, it is His Majesty's Command, that the Agent, to whom the Purchase Money is paid, shall be instructed to retain in his hands one third of the amount in each case, until a Certificate shall be transmitted by the Governor or Officer Commanding in the Province, that the Officer is actually settled:—The reserved Money will then be paid to him.

By Command of the Right Honourable
The General Commanding in Chief.

Warrant regulating the Grant of Pensions and Allowances to Officers of the Land Forces, for Wounds received in Action.

GEORGE R.

WHEREAS We think it expedient to consolidate and amend the several Rules and Orders under which Pensions and Allowances are granted on account of Wounds received in Action, by Officers of Our Land Forces, and to establish certain additional Regulations relative thereto; Our will and pleasure is, that, from and after the date hereof, the Regulation annexed to this our Warrant shall be the sole Rule on this head; and that the cases in which Pensions and Allowances may be recommended to Us to be granted to Officers, shall be limited to Wounds and Injuries received in Action, and shall be established by the production of such Certificates and Reports of Medical Boards as shall be required by Our Secretary at War.

Given at Our Court at Windsor, this 14th Day of November, in the Tenth Year of Our Reign.

By His Majesty's Command.
HENRY HARDINGE.

Regulation.

1st. If an Officer shall receive a Wound in Action, which shall occasion the loss of an Eye, or a Limb, or the total use of a Limb, or shall receive bodily injury fully equal to the loss of a Limb, he may be eligible to receive a Gratuity in Money of One Year's Full Pay of the Regimental Rank, or Staff Appointment, held by him at the time he was Wounded.

Digitized by Google

2d. If an Officer shall be Wounded in Action, and it shall appear upon an inspection made of him by a Board of Army Medical Officers assembled by order of the Secretary at War, that such Officer has, in consequence of his Wound, lost a Limb or an Eye, or has totally lost the use of a Limb, or that he has sustained a severe Injury in Action, fully equal in every respect to the loss of a Limb, he may be recommended to His Majesty for a Pension at the rate fixed in the annexed Scale, for the Rank held by him when he was Wounded, and commencing One Year after the Wound was received: the continuance of which shall depend upon subsequent examinations before the Military Medical Board.

3d. If the Officer shall have lost more than one Limb or Eye, he may be recommended for a Pension for each Limb or Eye so lost in Action.

4th. If the Wound received by an Officer in Action shall be so severe in its permanent effects as to be nearly equal, but not fully equal, to the loss of a Limb, such Officer may be recommended for a Gratuity of Eighteen Months' Full Pay of his Regimental Rank, or Staff Appointment, held by him when Wounded; in which case no Pension shall at any subsequent time be granted to him under this Regulation.

5th. If any Wound received in Action shall be certified to be severe and dangerous, but in its permanent effects not equal to the loss of a Limb, the Officer receiving such Wound may, in consideration of the expense attending the cure thereof, receive a Gratuity, varying according to the nature of the case, of from Three to Twelve Months' Full Pay of the Regimental Rank, or Staff Appointment, held by him at the time he was Wounded.

6th. If an Officer shall have held a Pension for a Wound received in Action for a term of Five Years, and shall have been examined, twice at the least, before a Board of Army Medical Officers, he may be recommended for the permanent continuance of such Pension; but if the Officer, before the expiration of the term of Five Years, shall have so far recovered that his Wound or Injury is not fully equal to the loss of a Limb, then he shall cease to receive such Pension, and shall have a Gratuity of Full Pay according to the degree of his Injury, as laid down in Article 5.

7th. If within the period of Five Years after a Wound has been received, an Officer does not apply for the Pension, or, applying for it, the Wound shall not have been proved to be fully and permanently equal to the loss of a Limb, such Officer's claim to a Pension shall not at any subsequent period be entertained.

8th. No Gratuity or Allowance for any Wound shall be granted after the lapse of Five Years from the time the Wound was received.

9th. No Pension for the loss of One Eye, from a Wound received in Action, shall be granted, unless the actual loss of Vision shall have occurred within Five Years after the Wound was received, and be solely attributable to such Wound.

10th. As a general rule, the Pension shall be granted according to Regimental Rank; but in cases in which Officers with Brevet Rank shall have been employed at the time they were Wounded, in discharge of duties superior to those attached to their Regimental Commissions, the Pensions shall be given according to the Brevet Rank.

11th. These Pensions, being granted as a compensation for the permanent disability sustained by Wounds received in Action, may be held together

with any other Pay and Allowances to which an Officer may be entitled, without any deduction on account thereof.

REGULATIONS relating to the Students at the Senior Department of the Royal Military College.

A CANDIDATE for Admission to the Senior Department of the College must be a Commissioned Officer in the Army, and must have completed the *twenty-first* year of his age. *He must have actually served as a Commissioned Officer with his Regiment for three years abroad, or for four years at home,* unless he should have been reduced to Half-pay before the completion of such period, when his claim will be considered.

His application (addressed to the Governor of the College) must be supported by satisfactory Testimonials as to Character and Conduct; as likewise of his being well grounded in the duties of the particular branch of Service to which he belongs.

These Testimonials must be from the Officer Commanding the Regiment in which he is serving, or, if on Half-pay, from an Officer of Rank in the Service.

Every Candidate will have to undergo an Examination previously to Admission. The Examination will be chiefly in the Elements of Geometry; but if deemed necessary, it will be extended to other elementary parts of Education requisite to qualify him for making progress in the branches of Instruction taught at the College.

All the Students will have the free use, under such Regulations as the Governor may deem necessary, of the Books, Maps, and Plans in the College Library.

The time allowed for the course of Education at the Senior Department is One year from the date of the Admission of each Officer. This period may be prolonged, however, by special permission, obtained through the Governor, from the Commander-in-Chief, when such indulgence appears to be merited.

The number of Students in the Senior Department is at present limited to fifteen.

Each Student pays into the funds of the College such sum annually as has been previously determined by the Board of Commissioners.

The Annual Subscription at present is Thirty Guineas.

Lodging Money is allowed to the Officers of the Senior Department, to procure themselves Lodgings in the vicinity of the College, if not provided with quarters. And Forage Money for one Horse (under the authority of the Collegiate Board) is allowed to such as have made sufficient progress in their Studies to qualify them for sketching in the Field.

Every Officer studying at the Senior Department is required to wear his Uniform with the same strictness as if on duty with his Regiment.

In case any Officer belonging to the Senior Department conducts himself in such manner as may appear to be at all detrimental to the Institution, or holding out a bad Example to the Young Gentlemen of the Junior Department, either by want of application or in other respects, a Report upon his Conduct will be transmitted by the Governor to the Adjutant General, with a view to his being withdrawn from the Institution.

No. 456. GENERAL ORDER.

HORSE-GUARDS, 24th August, 1827.

HIS MAJESTY being desirous of holding out further encouragement to Officers on Half Pay, to become Settlers in New South Wales and Van Dieman's Land, has been pleased, in reference to the General Orders of the 8th June, 1826, and 16th May, 1827, to command, that the following additional inducements shall be promulgated to the Army, for the information of those Officers who may be disposed to avail themselves of the benefit of this arrangement.

All Officers on Half Pay, who purchased and were reduced, whatever may have been the period of their Service, or Officers on Half Pay who did not purchase, but who, after having served Twenty Years, half of which on Full Pay, have been re-

duced, or have retired to Half Pay on account of Wounds or impaired Health, shall be exempted from that part of the Regulation contained in the General Order of the 8th June, 1826, which requires the Officer to relinquish one-third of the value of his Commission to the Crown, and shall be allowed to receive the full value of such Commission, in the same manner as Officers on Full Pay, who having purchased their Commissions, or having served Twenty Years, are desirous of selling out for the same object.

His Majesty has further been pleased to command, that this advantage shall be extended to Officers of all ranks, whether on Full Pay, Retired Full Pay, or Half Pay; but that, in the two latter Classes, all Sales shall be subjected to the conditions and restrictions established by the General Order of the 2nd May, 1825, notwithstanding that a large portion of the Officers on Half Pay would be excluded thereby from Sale: and in order that the Government may have full security for the appropriation of the Sums produced by the Sale of Commissions to the intended purpose, it is His Majesty's Command, that the Agent to whom the Purchase Money be paid shall be instructed to retain in his Hands one-third of the Amount in each case, to be paid to the Officer who proposes to emigrate, and who shall have obtained permission to dispose of his Commission, or his Half Pay, with that view, upon his producing to the Agent a Certificate, signed by the Master of the Vessel, that he has engaged his passage on board such Vessel for the purpose of proceeding direct to the Colony.

By His Majesty's Command.

HENRY TORRENS, Adjutant General.

PENSIONS OF THE WIDOWS OF OFFICERS OF THE LAND FORCES.

WILLIAM R.

WHEREAS We think it expedient to amend the Regulations under which Pensions and other Allowances are now granted to the Widows and Relatives of Officers of Our Land Forces: Our Will and Pleasure is, that the Claims of Widows of Officers now married, or who may marry before the 1st January, 1831, shall be decided upon according to the Rules prescribed by the Warrant of Our late Royal Brother, dated the 13th June, 1826, hereto annexed; but that the Regulation annexed to this Our Warrant shall be strictly observed in all cases in which the Marriage of the Officer shall take place subsequently to the 31st December next.

Given at Our Court at St. James's, this Seventh Day of July, in the First Year of Our Reign.

By His Majesty's Command,
H. HARDINGE.

REGULATIONS.

Widow's Pension.

1.

The Pensions authorised by this Regulation cannot be claimed as a *right*:—they are granted by His Majesty as rewards for good and faithful Military Service rendered by deceased Officers—they are only to be conferred on proper and deserving objects—they are not to be granted to Widows left in wealthy circumstances—and are liable to be discontinued altogether, in case of any misconduct rendering the individuals receiving them unworthy of the Royal Bounty.

2.

The Widows who are considered eligible for the Pension List, subject to the above restrictions, are those whose Husbands belonged to the Land Forces, or held Commissions from the King, with *permanent* rank in the Army, in Corps raised for Service in the Colonies;—to such Widows, Pensions, according to the annexed Scale, may be given in the following cases, viz.

3.

If the Officer held the Rank of a General Officer.

4.

If the Officer was *Killed in Action*—or died of his *Wounds* within Six Months after being wounded in Action—in either of which cases, and in those only, the Special Pension fixed in the annexed Scale may be allowed.

5.

If the Officer died while serving on *Full Pay*; provided he had served *Ten* Years on Full Pay.

6.

If the Officer died on *Half Pay*, having actually served *Ten* Years on Full Pay; provided he married before he was placed on Half Pay; and provided his retirement was occasioned by reduction—by Wounds received in Action—or by Ill Health* contracted on Foreign Service.

7.

If the Officer retired for his own *personal convenience*, and not in consequence of reduction or Ill Health,* and died while on Half Pay; provided he had married Three Years at least *before* he retired—had actually served Twenty Years on Full Pay—and that his retirement to Half Pay was not occasioned by his own misconduct.

8.

If the Officer *married after his retirement to Half Pay*; provided he had previously served at least Twenty Years on Full Pay; and had been obliged to retire in consequence of disability from Wounds received in Action, or Ill Health contracted on Foreign Service; and provided he shall live Three Years *after* his Marriage.

9.

Officers on the Retired List receiving Full Pay will be considered, in reference to their Widows' Claims to Pensions, as Half Pay Officers.

10.

The Widows of the following Classes of Officers shall be allowed the same advantages under this Regulation as if their Husbands had been reduced, viz.

11.

Officers who *exchanged to Half Pay* in consequence of being appointed to Staff or Garrison Situations; provided they did not receive any difference on such exchange.

12.

Officers who retired on Half Pay under the General Orders, dated 25th April and 27th December, 1826, or under any Orders of His Majesty recognising similar Claims in favour of the Widows of Officers, by which Officers holding *Brevet Rank*, and Lieutenants holding Commissions dated in 1811, and prior thereto, were allowed to retire on the Half Pay of the next effective Rank above their Regimental Rank.

13.

Officers belonging to the *Medical Staff*, permitted, in consequence of having served a certain period, to retire upon Half Pay under the Regulations established for the Medical Department of the Army.

Widows not eligible to the Pension.

14.

A Widow shall *not be eligible* to be placed on the *Pension List* under any of the following circumstances, which are applicable to all Ranks, viz.

15.

If her Husband died *within one year* after his Marriage, except in the cases specified in Article 3—or if he died a violent death in the execution of some act of Military Duty—or died on Foreign Service—or in any Colony abroad from the effects of climate; provided he married when in good health, and in the active execution of his Military Duty.

* Vide Article 23 of the Half Pay Regulations.

16.

If he took the *regulated difference on exchanging* to Half Pay—unless he had been previously placed on Half Pay under circumstances which rendered his Widow eligible for the Pension List—and had paid the difference on being restored to Full Pay; provided, however, that his last retirement to Half Pay was occasioned by Wounds, or by Infirmities contracted on Foreign Service, which rendered him incapable of active Military Duty.

17.

If he *had* been guilty of *Bigamy*—or if either of the parties was living at the time of the Officer's death in a *disreputable state of separation*—or if the Officer had been guilty of any fraudulent misapplication of the Public Money, discovered and proved in the settlement of his Accounts.

18.

If the Officer died in the Service of a *Foreign State*, unless serving with the King's permission.

19.

If the Officer, being capable of Service, had, at his own solicitation, been *excused from serving* when called upon; provided he was officially warned that his Widow would thereby forfeit the Pension;—or if he had been passed over in a Brevet on such account.

20.

If the Officer, *being a Foreigner*, had served against His Majesty subsequently to his obtaining a Commission in the British Service.

21.

If the Officer was *sixty years of age* when he married.

22.

If the Officer was placed upon Half Pay with *Temporary Rank* only.

23.

If the Widow shall receive any *other Pension, Provision, or Allowance* from the Public.

24.

A Widow remarrying, after the 31st December, 1830, shall forfeit her Pension from the date of her remarriage.

25.

Every Officer, whether on Full or Half Pay, shall, in order to secure for his Family the benefit of this Regulation, notify his Marriage, *within six months* of its taking place, to the War Office, according to the Form No. 4, annexed to this Regulation.

With respect to Marriages contracted in Scotland, none will be admitted, for the purposes of this Regulation, which cannot be proved either by an extract of the Register of the Kirk Session, or other legal Record of the place in which the Marriage shall have been celebrated—or by an acknowledgment of a Marriage to be transmitted to the Secretary at War, made and subscribed by the Parties themselves *in Scotland*, in presence of a Magistrate, according to the annexed Form, No. 5.

26.

To enable the Secretary at War to submit the Widow's Claim to the King, an Affidavit must be transmitted to the Agent of the Regiment to which her late Husband belonged, agreeably to the annexed Form, together with the Documents therein pointed out, in order that the Agent may lay them before the Colonel for his recommendation, previously to their being

submitted to the Secretary at War. The Colonel is held responsible that the Claim so recommended by him is in conformity with Article 1.

27.

The Widow's Pension will in general commence from the date of her Husband's death; but the claim must, if the Widow resides within the United Kingdom, be established by the production of satisfactory documents in support of it, *within one year after the death* of the Officer. If, however, the Widow be living with her Husband at a Foreign Station when he dies, the commencement of her Pension will be governed by the date at which her application, accompanied by the proper Certificates, is transmitted; and if any unnecessary delay has taken place, the Pension will be given, not from the date of the Officer's death, but from such period as, under the circumstances of the case, the Secretary at War may recommend.

28.

If the Claim of a Widow to Pension shall not be established within one year *before her death*, the amount of Pension to which she would have been entitled, if living, shall not be allowed to her Representatives.

29.

Pensions to Widows shall not be given according to the *Brevet Rank* of their Husbands, but according to the Commissions by which they received Pay; except in the cases of General Officers and Officers holding Staff Appointments.

PENSIONS AND ALLOWANCES TO RELATIVES OF OFFICERS.

Widows' Special Pensions.—Mothers and Sisters.

30.

If an Officer be *killed in Action*, or dies of his *Wounds within Six Months* after being Wounded, and leave a Widow or Children, or both, a Gratuity of One Year's Pay of the Regimental Commission held by him may be given to his Widow, and one-third of the amount thereof to each of his legitimate Children under age and unmarried.

31.

If such Officer leave no Widow nor legitimate Child, an annual Allowance, equal to the ordinary Rate of Widow's Pension attached to the Regimental Rank of the Officer, may be granted to his *Mother*, provided she be a *Widow*, and in distressed circumstances, and was mainly dependent upon the Officer for support; but if the Mother shall be herself in receipt of a Pension as an Officer's Widow, or shall have any other Provision of any kind from the Public, no Allowance under this Regulation shall be made to her on account of her Son, unless she relinquish such Pension or Provision. In the event of her re-marrying, any Allowance that may have been granted to her shall cease.

32.

If the Officer shall have left no Widow, legitimate Child, nor Mother, but shall have left a *Sister* or *Sisters*, being Orphans, having no Parent nor surviving Brother, and having been dependant for support upon the Officer, an

Allowance, equal to the ordinary Rate of Widow's Pension, may be granted to such Sister, or to such sisters collectively, under extraordinary and special circumstances, to be judged of by the Lords Commissioners of His Majesty's Treasury; but the Allowance, in such case, shall cease when the Person receiving it shall marry, or shall be in any other manner sufficiently provided for.

COMPASSIONATE LIST.

Children of Officers.

33.

Allowances on the Compassionate List to the legitimate Children of deceased Officers may be given in those cases in which the Widow of the Officer would be entitled to be placed on the Pension List; provided it be shown that the Children have no other Allowance, Pension, or Provision from the Government, and that their pecuniary circumstances and those of their Family are so limited, that they actually require assistance from the Compassionate Fund.

Applications for Compassionate Allowances should specify the particulars pointed out in the Form annexed, No. 6.

34.

The Fund being limited to an annual Sum, the Claims of the Children will be considered according to the length, nature, and merit of the Services performed by the Father; and, as far as the decision upon Claims can be governed by Regulation, they will be recommended to His Majesty in the following order, viz.

1st. Children of Officers killed in Action.
2d. Orphans, having neither Father nor Mother.
3d. Children of Officers dying on Foreign Service.
4th. Children of Officers dying on Full Pay at Home.
5th. Children of Officers dying on Half Pay.

35.

The Allowances granted to the *Sons* of Officers may be continued until they attain the *Age of Eighteen*, or are otherwise previously provided for;—and those to the *Daughters* may be continued until they marry, or attain the *Age of Twenty-one*, whichever shall first happen, and no longer; except in very special cases, in which it shall be shown that such Sons or Daughters are afflicted with any mental or bodily infirmity, rendering them totally incapable of making any exertion for their own support, and that they are still in distressed circumstances.

36.

The aggregate amount of the foregoing Allowances, granted to the Family of any Officer killed in Action, including the Widow's Pension, if he leave one, shall in no case exceed the Rates specified in the Scale hereunto annexed; and in the case of Officers not killed in Action, shall not exceed, for the Family of a General Officer, £300 a-year, or for the Family of any other Officer the rate of the Half Pay attached to his Rank.

By His Majesty's Command.
H. HARDINGE.

Warrant referred to in His Majesty's Warrant dated 7th July, 1830, *as prescribing the Rules according to which the Claims to Pension of Widows of Officers of the Land Forces now married, or who may marry before the 1st January,* 1831, *shall be decided upon. Dated 13th June,* 1826.

GEORGE R.

WHEREAS We think it expedient to consolidate and amend the several Rules and Orders under which Pensions are now granted to the Widows of Officers of Our Land Forces, and to establish certain additional Regulations and Restrictions relative thereto, Our Will and Pleasure therefore is, that from and after the 25th December, 1825, this Our Warrant shall be the sole Regulation on this head, and that Pensions, according to the Scale hereunto annexed, may be granted to the following Classes of Widows of Officers of Our Land Forces; provided, however, that such Widows shall be considered by Us to be proper and deserving objects of Our Royal Bounty, and shall produce, in support of their respective claims, such Affidavits, Certificates, and other Documents, as shall be required by Our Secretary at War.

1st.—The Widows of General Officers.

2d.—The Widows of Officers who, at the time of their death, held Commissions on Full Pay in any of Our Land Forces, or who held Commissions from Us, with permanent Rank, in Corps raised for Service in our Colonies.

3rd.—The Widows of Officers dying on Retired Full Pay.

1st.—If married to the Officers before their retirement on Full Pay.

2d.—If married after the retirement on Full Pay, and before the 25th December, 1825; provided the Officers had served Three Years on Full Pay as Commissioned Officers in our Land Forces.

3d.—If married after the retirement on Full Pay, and before the 24th December, 1825; provided the Officers had served Three Years as Commissioned Officers, and the marriage shall have taken place within Eight Years after their retirement.

4th.—The Widows of Officers dying on Half Pay; provided the Officers had been placed on Half Pay by reduction, or in consequence of Wounds and Infirmities contracted on Service, which rendered them incapable of active Military Duty, and provided they did not receive any difference on exchanging to Half Pay.

1st.—If married to the Officers before they were placed on Half Pay.

2d.—If married after the Officers were placed upon Half Pay, and before the 25th December, 1825; provided the Officers had served Three Years on Full Pay as Commissioned Officers in Our Land Forces.

3d.—If married after the Officers were placed on Half Pay, and after the 24th of December, 1825; provided the Officers had served Three Years as Commissioned Officers, and that the marriage shall have taken place within Ten Years after their being placed on Half Pay.

We are further pleased to direct, that the Widows of the following classes of Officers, although not actually reduced, shall be allowed the same advantages under this Regulation as if their Husbands had actually been reduced, viz.

1st.—Officers who have Exchanged to Half Pay in consequence of being appointed to a Staff or Garrison Situation; provided they did not receive any Difference on such Exchange.

2d.—Officers who, upon the reduction of the Regimental Establishments in the year 1821, were entitled, from Seniority, to be retained on Full Pay, but were allowed to go upon Half Pay in the room of Officers liable to be reduced.

3d.—Officers who shall have retired on Half Pay, under the General Order, dated 25th April, 1826, by which Regimental Officers, who held superior Brevet Rank in the Army, are allowed to retire on the Half Pay of the next effective Rank above their Regimental Rank.

4th.—Officers belonging to the Medical Staff, permitted, in consequence of having served a certain period, to retire upon Half Pay, under the Regulations established for the Medical Department of the Army.

It is Our further Will and Pleasure, that Pensions shall not be allowed in any of the following cases, viz.

1st.—If the Officer shall have died, not on Service, within a year after his marriage.

2d.—If the Officer shall have died, in the Service of a Foreign State, unless serving with Our permission.

3d.—If the Widow shall receive any other Pension, Provision, or Allowance from Us.

4th.—If the Widow shall have been living in a state of separation from her Husband at the time of his death, and shall not have been maintained wholly, or in part, at his expense.

5th.—If the Officer was sixty-five years of age when he married.

6th.—If the Officer had been excused from serving when called upon, unless the state of his health was such as to render him incapable of active Military Duty.

7th.—If the Officer, being a Foreigner, had served against Us subsequently to his obtaining a Commission in Our Service.

8th.—If the Officer was placed on Half Pay with Temporary Rank only.

9th.—If the Officer received the regulated difference on exchanging to Half Pay, unless he had been previously placed on Half Pay under circumstances which gave his Widow a claim to the Pension, and had paid the difference on being restored to Full Pay; provided, however, that his last retirement to Half Pay was occasioned by Wounds, or by Infirmities contracted in Our Service, which rendered him incapable of active Military Duty.

10th.—If the Officer did not do actual Service in some of Our Land Forces.

It is Our further Will and Pleasure, that the Pension of the Widow shall not be forfeited by her re-marriage, unless the person to whom she shall be re-married be an Officer, and shall serve against Us; also, that if a Widow shall not prefer her claim to the Pension within one year after the death of her Husband, the Pension shall only commence from the beginning of the year in which the claim shall be made; and that if the claim of a Widow to the Pension shall not be preferred before her death, the Pension shall not be allowed to her Representatives.

And lastly, it is Our Will and Pleasure, that the Pensions of the Widows of Officers of Our Land Forces, except those of General Officers and of Officers holding Staff Appointments, shall be allowed according to the Commis-

sions by which their respective Husbands received pay, and not according to Brevets.

WARRANT REGULATING THE PAY OF REGIMENTAL AND DISTRICT PAYMASTERS.

Dated 30th July, 1830.

WILLIAM R.

Whereas We have judged it expedient to improve the advantages of Paymasters of Regiments, and of Districts, Our Will and pleasure is, that the Pay of the said Officers shall be Fifteen Shillings a day respectively, on their First appointment to this Commission, and that it may be increased to Twenty Shillings a day after their completion of 20 years Service in that Rank, provided that Our Secretary at War shall be satisfied with the manner in which the Paymaster to be recommended to Us for such increase of Pay has performed his Duties.

Given at Our Court at St. James's, this 30th day of July, 1830, in the First Year of Our Reign.

By His Majesty's Command, H. HARDINGE.

WARRANT REGULATING THE PAY OF REGIMENTAL QUARTER MASTERS.

Dated 30th July, 1830.

WILLIAM R.

Whereas We have judged it expedient to revise the Regulations respecting the pay of Regimental Quarter Masters, and to improve the advantages of that Class of Officers: Our Will and Pleasure therefore is, that all previous Regulations respecting the Pay of this Appointment shall be cancelled; and that in lieu thereof, the Regulations annexed to this our Warrant shall henceforth be established.

Given at Our Court at St. James's, this 30th day of July, 1830, in the First Year of Our Reign.

By His Majesty's Command, H. HARDINGE.

REGULATIONS.

1. The Pay of a Quarter Master, upon first Appointment, shall be Six Shillings and Sixpence a Day, and shall be increased after certain Periods of Service *in that rank*, to the following Rates, viz.—

2. In addition to the Pay assigned to him in the preceding Article, the Quarter Master of Cavalry shall receive an Allowance of Two Shillings a Day for Forage, subject to the usual deduction of 8½*d.* for each Ration supplied.

WARRANT REGULATING THE APPOINTMENTS AND PAY OF ARMY MEDICAL OFFICERS.

Dated July 29th, 1830.

WILLIAM R.

Whereas it has been represented unto Us, that the Ranks of Apothecary to the Forces, and of Hospital Assistant, can be dispensed with; and that, with a view to obtain a more regular gradation of Medical Ranks, it is expedient to change the title of Physician to the Forces into that of Assistant Inspector of Hospitals, and further to fix the period which every Medical Officer shall be required to serve in an inferior Class before he shall become eligible for promotion to a superior Class, and at the same time to improve the Pay and advantages of the Officers in each Class, in proportion to their length of actual Service respectively; We are therefore pleased to direct, that from and after the date of this Our Warrant, all former Rules and Orders respecting the Titles, Ranks, Periods of Service, and Pay of the Medical Officers of Our Army shall cease and determine, and that in lieu thereof the annexed Regulations shall be substituted and obeyed.

It is Our further Pleasure that no alteration of, or deviation from, the said Regulations shall at any time be made, unless Our Special Sanction for such alteration or deviation shall be duly communicated through Our Secretary at War for the time being.

And for the due performance of the several matters mentioned in the Regulation annexed, this Our Warrant shall be a sufficient Authority.

Given at Our Court, at St. James's this 29th day of July, 1830, in the First Year of Our Reign.

By His Majesty's Command, H. HARDINGE.

REGULATIONS.

1. The Rank of Apothecary to the Forces, and of Hospital Assistant, are henceforth abolished.

2. The Title of Physician to the Forces is to be discontinued, and instead thereof, that of Assistant Inspector of Hospitals is to be established.

3. The Medical Officers of the Army are in future to be distinguished by the following Ranks and Commissions, viz.—

Regimental Surgeon.	Deputy Inspector-Gen. of Hospitals.
Staff Surgeon.	Inspector General of Hospitals.

Assistant Surgeon.

Royal College of Surgeons, of London, Edinburgh or Dublin, shall be eligible for this Commission, and the Assistant Surgeon must have served on full pay five years before he shall be eligible for promotion to the Rank of Regimental Surgeon, and seven Years before he shall be eligible for the Rank of Staff Surgeon.

5. *Regimental Surgeons and Staff Surgeons* must have served ten Years in the Army on full pay before they shall be eligible for the next step of rank.

6. An Assistant Inspector of Hospitals must have served three Years at *Home*, or two Years *Abroad*, in this Rank, before he shall be eligible for Promotion.

7. A *Deputy Inspector General* of Hospitals must have served five Years at *Home*, or three Years *Abroad*, in this Rank, before he shall be eligible for promotion to the highest rank of Inspector General.

8. The Rates of Daily Pay for the before mentioned Ranks are to be in future regulated by the length of time which the Officers of each Class shall have served upon Full Pay according to the annexed Scale; provided always, that when any Officer is hereafter promoted, he shall commence upon the minimum Pay of his new Rank, notwithstanding his length of service, agreeably to the said Scale, may give him a claim to a higher Rate of Pay, as before he shall be allowed such higher Rate of Pay he will be required to serve on each inferior Rate of Pay attached to his Rank, the following period, namely, *one year* if he had been in the Medical Department antecedently to the date of this Warrant, and *two years* if he received his first Medical Commission subsequently to that date; but if the Officer thus promoted had higher Pay in his old Rank than the minimum of his new Rank, he shall commence upon that Rate of Pay which may be next above his former Pay, and before he obtains any further increase shall serve the period above prescribed: viz.—

WARRANT REGULATING THE ISSUES OF PROVISIONS TO THE TROOPS ON FOREIGN SERVICE.

Dated 22d July, 1830.

WILLIAM R.

WHEREAS We have judged it expedient to revise the Warrant of Our late Royal Brother, dated the 14th July, 1827, consolidating the several Orders and Regulations respecting the Issues of Provisions to Our Land Forces abroad: Our Will and Pleasure is, that, in lieu of the said Orders and Regulations, the Rules and Regulations hereunto annexed shall be the sole and standing Order on the subject. It is Our further Pleasure that this Our Warrant be registered on every Foreign Station, and that no deviation from the Regulations now laid down be allowed, unless Our special sanction for such deviation shall have been duly obtained through Our Board of Treasury. And for the performance of the several matters herein contained this shall be to all persons whom it doth or may concern a sufficient Warrant, Authority, and Direction.

Given at Our Court at St. James's, this 22d day of July, 1830, in the First Year of Our Reign.

By His Majesty's Command.
H. HARDINGE.

Regulations.

Rations of Provisions.

1.

The Daily Rations of Provisions in all Our Garrisons and Stations Abroad shall consist of the following Articles, viz.—One Pound of Bread, or Three Quarters of a Pound of Biscuit; and One Pound of Meat, either fresh or salt, except at those Stations where on account of climate, or from local or temporary circumstances, a different Ration may have been, or may be sanctioned by the Board of Treasury; or in operations in the field, when the nature of the service may require that the Ration of Bread should be occasionally increased, but such increased Ration shall not exceed One Pound and a Half of Bread, or One Pound of Biscuit.

2.

Instead of the allowance of Wine or Spirit, hitherto granted as a component part of the daily Ration of Provisions, an equivalent in Money, calculated at a Penny per Diem, and to be styled *Liquor Money*, shall in future be given on all Foreign Stations where Rations of Provisions are issued under the authority and scale of this Warrant.

As, however, in cases of active operations in the Field, the Officer in command of the Forces may find it indispensably necessary to supply them with the articles in kind, such Officer shall have the discretionary power of discontinuing this Allowance in Money, and of substituting for it a Ration of Wine, Spirits, or any other article of subsistence; and the Officer commanding any Regiment, Troop, Company, or Detachment, shall at his own discretion, when engaged in operations in the Field, or employed on board of

Transports, suspend, diminish, or wholly take away the Liquor Ration when issued in kind, in case of the misconduct of any Soldier or Officer's Servant.

If at any Station Abroad local or temporary circumstances should render it at any time advisable, either owing to the remote situation of the Post or Station, or for the health of the troops, to substitute Wine or Spirits in lieu of the penny a day, the Officer in command at the Station shall, in the exercise of his discretion, authorise the same, and in the latter case, on a Report made by a Board of Medical Officers, assembled by his orders, having, if the case admits of the reference, previously obtained the sanction of the Superior Officer of the command, reporting the same for the approval of the Lords Commissioners of the Treasury.

3.

No Staff or Regimental Officer, or Military or Civil Officer of the Ordnance, of whatever rank, is to draw from the Public Stores more than One Ration of Provisions a day for himself. But, in addition to this personal allowance, each Officer may draw a like Ration of Provisions for every Male Servant attached to his Rank, according to the number specified in the Schedule annexed; but no Officer shall be permitted to draw Rations in more than one capacity, nor for any Civil Servant who is not actually effective, nor for a Black Servant, of the class for the hire and maintenance of whom a pecuniary allowance on certain stations is granted. Nor shall any issues for Civil Servants be made, except upon a certified requisition from each Officer, stating that the number of Rations demanded are within the limits now prescribed, and *bonâ fide* for his own effective Male Servants, not being Soldiers already drawing Rations, nor Black Servants of the class for whom a separate Regulation is in force.

4.

Neither the Allowance in lieu of Liquor, nor any part of the Ration of Provisions allowed to the Soldier by this Warrant, shall be drawn for any period during which he may be in confinement under the sentence of a Court Martial, or in gaol by the authority of the Civil Power, the subsistence of Soldiers so situated being otherwise provided for.

And in case of any Soldier being found guilty of *habitual drunkenness*, he may be deprived of his Allowance in lieu of Liquor, upon conviction before a Court Martial, according to the Articles of War.

5.

A deduction of three halfpence instead of two-pence halfpenny shall in future be made from the Pay of Staff and Regimental Officers for each Ration of Provisions which may be issued to them under the authority of this Warrant, either for themselves or for their Male Civil Servants; and a deduction of five-pence instead of six-pence shall be made from the pay of Non-commissioned Officers and Privates, and from that of the undermentioned Persons employed by the Ordnance Department for each Ration of Provisions which may be issued to them, viz.

Conductors of Stores, Master Artificers, Master Armourers, Master Carpenters, Coopers, Masons, Smiths, Assistant to ditto; Foremen of Artificers, and Artificers having Warrants or regular appointments from the Master-General and Board of Ordnance; but persons employed as temporary Clerks, or as Artificers in any of the situations above stated, are not entitled to Rations unless the nature of the Public Service, on which they are employed, should be such as to make an exception absolutely necessary, in which case the special sanction of the superior authority on the Station, or within the

Command, shall be previously obtained and reported to the Board of Treasury.

Barrack Serjeants, if not drawing Rations as Soldiers, are entitled to one Ration each.

The diminished rate of deduction in these cases is established in consequence of an equivalent of one penny a day being hereby given instead of the Wine or Spirits in kind.

6.

Such lawful Wives of Non-commissioned Officers and Privates, embarking for Foreign Stations, as may be permitted to accompany their husbands, not exceeding in number Six Women for every Hundred Men (with the exception of Regiments embarking for India or New South Wales, on which occasions Twelve Women are allowed to embark with every Hundred Men) shall, if the Officer commanding on the Station judge fit, be allowed for themselves and their legitimate Children Provisions according to the following Rules, namely, every Wife one half of the Soldier's Ration of Provisions (Liquor excepted, should that article ever be issued), and every Child one fourth of such Ration if under Seven Years old, and one third if beyond that age. The said Officer commanding may, however, diminish, suspend, or wholly discontinue this Allowance, according to his own discretion, in any case. And Officers commanding are hereby empowered to continue the issues of Provisions to the Widows and Children of Non-commissioned Officers and Privates who may die abroad, and to Children who have lost their Mothers, until an opportunity offers to send them to this country.

7.

The Wives and Children of Officers, and of all other Persons classed as Officers, and employed in any of the Civil Departments connected with the Army and Ordnance, serving at any Stations within the Tropics, where Rations are received from the Public Stores by such Officers, and other Persons classed as such, shall be allowed the indulgence of receiving Provisions from the Public Stores in the same proportions as are granted to the Wives and Children of the Non-commissioned Officers and Privates. And the Widows and Orphans of such Officers and others shall, at the discretion of the Officer commanding the Troops, be likewise provisioned according to the same proportions, until an opportunity is afforded for their return to this Country.

8.

On those Stations where Staff and Regimental Officers receive a Colonial allowance in lieu of Rations in kind, except in Ceylon, the Mauritius, and the Territorial Possessions of the East India Company, the Pay of each Officer shall be subject to a deduction of two-pence halfpenny a day.

9.

Officers employed on the General or Garrison Staff, shall draw Rations for their Civil Servants according to their Situations on the Staff, and not according to their Army Rank.

By His Majesty's Command.

H. HARDINGE.

It is Our further Pleasure, that this Our Warrant

be registered on every Station abroad, except India, as a Standing Order, from which no deviation whatever is to be allowed without Our special sanction. And for the performance of the several matters herein contained, this shall be, to all Persons whom it doth or may concern, a sufficient Warrant, Authority, and Direction.

Regulations.

FIELD ALLOWANCE.

Foreign Service.

1.

The Field Allowance shall not be granted except in time of War, and Officers shall not then be entitled thereto unless belonging to, and actually present and serving with Our Forces engaged in Military Operations in the Field against an Enemy.

2.

Officers belonging to Our Foreign Garrisons, or on Foreign Stations, shall not in time of War be entitled to the said Allowance, except in the case mentioned in Article 1.

3.

The Field Allowance shall be granted according to the Rates specified in Schedules No. 1 and 2, and shall be issued for Quarterly Periods, and in advance, viz. on the 25th March, 25th June, 25th September, and 25th December.

4.

An Officer of the Staff, who may succeed to the charge of a Department by the Death or temporary Absence of the Principal thereof, shall receive the Field Allowance for the Rank of such Principal, instead of the Allowance for his own Rank, provided he be in the next degree of Rank to the Principal; but if he be more than one degree below the Principal, he shall receive the said Allowance for the Rank next above his own established Rank. In cases in which the Principal shall be present during part of the period for which the Allowance is to be issued, he shall receive only such Portion thereof as may be due for the period of his Service; and the Person acting in his room shall receive the Portion due for the remaining part of the period for the Rank next above his own established Rank. It is however further provided, that the Allowance for the Head of a Department is not to be issued to more than one Officer during the same period.

5.

Officers having Brevet Rank shall not receive the Field Allowance according to that Rank, unless they shall be in the discharge of the Duties attaching to their Brevet Rank.

6.

An Officer holding Two Commissions, or Two Employments of any kind, shall receive the Allowance for one only.

7.

An Officer proceeding in the first instance to join an Army in the Field,

Digitized by Google

shall, upon his arrival at the Port of Embarkation, be entitled to receive the Field Allowance in advance for Six Months, viz. from the commencement of the then current Quarter to the termination of the next succeeding Quarter, from which latter date his subsequent Issues of this Allowance shall commence abroad.

8.

An Officer rejoining an Army in the Field, after an Absence with leave, shall receive only the Proportion of the Field Allowance from the date of his rejoining to the termination of the then current Quarterly Period.

9.

An Officer obtaining Promotion, or an Appointment on the Staff, in the course of a Quarterly Period, and continuing to serve with the same Army, shall receive the difference between the Field Allowance for his former Rank and that for his new Appointment; but this Difference shall commence only from the date when such Promotion or Appointment shall have been notified in General Orders to the Army with which he may be serving.

10.

An additional Allowance of 1*s.* per diem to the Officer commanding a Battalion, and an additional Allowance of 1*s.* 6*d.* per diem for each Troop or Company, are to be issued to the Officer actually commanding the Battalion, Troop, or Company respectively, in the first instance; and any Officer taking Command during the period of the Issue, is to receive from him a due Proportion of such Allowance for the remainder of the period. This Regulation also applies to the Allowance of 1*s.* 6*d.* per diem to the Paymaster and to the Surgeon. It is to be strictly observed, that the Allowances abovementioned are in no case to be issued more than once for the same period.

11.

If an Officer of Our Royal Navy or Marines shall serve in the Field with Our Land Forces against an Enemy, he shall be paid, for the Days of his actual Service, the Allowance specified in the Schedule No. 2, according to his relative Rank, provided that his Service with the army in the Field shall have been required by the Order of the Officer commanding Our said Land Forces, and that the Duty on which he may thus be employed shall have necessarily detached him from his Ship upwards of Thirteen Days, as for a less period no Allowance shall be granted.

Home Service.

12.

When Troops are ordered to encamp within the United Kingdom for exercise, or for any other purposes, the Soldiers shall be provided with Tents from the Ordnance Department and Straw by the Commissariat Department, with such a proportion of Blankets, Cooking Kettles, Bill Hooks, Canteens, Havresacks and Intrenching Tools, as may be considered indispensably necessary for the occasion.

13.
